

Elf Note

Enter your child or childrens' names in the text field before printing. If using this in a classroom setting, use "Dear Mrs. Miller's Class" for example. Trim along the dotted line below and hide the note along with a tagged bell. Be sure it's a few days after finding their first Believe Bell so the note makes sense.

Inspiration Tags

For the tags, trim around edge of tags as shown by the scissor icons. To place on ribbon, cut along the dotted line, going halfway up the tag. Slide the tag through the cut line so that it rests on the ribbon.
