

A MERRY CHRISTMAS  
CLASSROOM COUNTDOWN

Hello and Merry Christmas!

We're so excited to tell you that your class has been selected to help the Jingle Bell Elves with a special gift for Santa Claus. Since Santa works so hard to surprise others, we think it's nice to surprise him too!

Here's your class assignment. You get to find and collect one of our Believe Bells every day and save them in the special container we brought you. These jingle bells from the North Pole are called Believe Bells because every time one rings, Santa knows a child believes in the magic of Christmas. And we want him to know how much ALL OF YOU BELIEVE, so we're going to bring you a whole bunch - but first you have to find them! Elves like to have fun you know...teehee!

We'll hide one each night in all sorts of places around your classroom. Make sure you listen to your teacher's rules about finding them; and please take turns with each other. On Christmas Eve, your teacher will set out the bells for Santa to discover while visiting their home. When Santa sees all the Believe Bells your class has collected, he'll be so full of joy that his jolly laughter may even wake up your teacher! ...teehee!

Then he'll take the bells with him to add to his sleigh so that the jingling of all those Believe Bells will remind him of your kindness all night long!

Are you ready to find your first Believe Bell and start collecting for Santa? We hope so! Have fun with your search and remember; ***"Every bell that you receive, Santa knows that you believe."***

Love your friends,  
*The Jingle Bell Elves*
